Photos du produit à la page 2.

### Hazard Involved

The burner control knob can be incorrectly labeled, which can result in the grill being unintentionally left on, posing a fire hazard. / Le bouton de commande du brûleur peut être mal étiqueté, ce qui peut laisser le gril allumé par inadvertance, ce qui présente un risque d'incendie.

### What To Do

Use of these products should be immediately discontinued and return to the Applicant for replacement or repair. Distributors and retailers should discontinue sales and return inventories to their suppliers. / L'utilisation de ces produits doit être immédiatement abandonnée et retourner au demandeur pour remplacement ou réparation. Les distributeurs et les détaillants doivent cesser les ventes et retourner les inventaires à leurs fournisseurs
